

## **Thank you letter**

**Dear – Phil schock**

Thanks you very much for your provide our school. We receipt your support by cash very well. As you support the children in this school and also our leaders try hard in their sundry matters, especially in their study. We hope that one day they will become a good educator. So, we need your pray for them and also for our leaders. And we always remember you by pray. May God You all.
