Saw Jean Bag, the son of Saw Tha Shee and Naw Tha Nay has six brothers and sisters. There were altogether eight members in their family. They live in Po Na Ko village as the father is a farmer they lived in a little hut on the farm. Their village is on the bank of a very big river called Pya-Ma-Louk river. When the storm Nagis came they were blown apart and did not find each other anymore. Saw Jean Bag was taken very far away from his village by the big waves. After the storm he found his way back to his village slowly. For two days he had nothing to eat and when he reached his village he found that all the members of his family were lost in the sea waters. He alone survives and now he is being looked after by Hpu Saw Bu Orphanage.
