Thank you Letter

We sent our thankful to you. We receive your support by cash very well. We thank you so much about it. Because of your help we are staying very well. We have vision, all children to become a good education, leader, ect. We Know that you are a good sponsor for our school. So, our school need your pray for us, specially for the children to try-hard in their study. We hope that always you remember us by pray and also any way.

And also we pray for you from far.
May God Bless You always
